### 3. CONSENT AGENDA

A. Minutes Approval (May 19, 2020, Regular Meeting) - Mr. Dudley moved to approve the minutes of the May 19, 2020 regular Board meeting as presented. The motion was seconded by Mr. Scarce, there was no further discussion and the motion passed unanimously.

### 4. HEARING OF THE CITIZENS

No one was present desiring to speak before the Board.

#### **Commissioners:**

Robert "Bob" Warren • Ronald Scarce • William "Vic" Ingram  
Joe Davis • Tim W. Dudley • Dr. Charles Miller • Ben Farmer

**5. NEW BUSINESS**

- A. FY20/21 PCSA Budget Adoption - Pittsylvania County Finance Director Kim Van Der Hyde presented the fiscal year 20/21 budget for the Pittsylvania County Service Authority. Mr. Searce moved to approve the budget as presented. The motion was seconded by Mr. Ingram, there was no further discussion and the motion passed unanimously.
- B. Amendment to PCSA/Pittsylvania County Service Agreement Approval - Ms. Van Der Hyde presented an amended services agreement between PCSA and the County, the original of which was approved at the May 19, 2020 regular PCSA board meeting. She explained the amendment was for a change in the costs of services to be paid by PCSA funds to the County due to some employees being paid directly from the PCSA budget, not provided by the County. Mr. Searce moved to approve the amended services agreement. The motion was seconded by Mr. Davis, there was no further discussion and motion passed unanimously.
- C. PCSA Employee Spotlight - Mr. Adcock recognized Ms. Sharon Cassada, PCSA Finance Director, for her 40+ years of service to the Authority.
- D. Staff Reports
  - 1. Pump Station Assessment and Improvements Project Update - Mr. Adcock presented a report on potential funding opportunities through the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). After meeting with consulting engineers, staff felt that the program requirements were broad enough to attempt to get funding for a couple of water and wastewater projects that have been had been recently discussed or studied. One potential project was improvements and upgrades to all of the Authority's water and wastewater pumping stations as was outlined in a 2019 engineering study.
  - 2. Horseshoe Road Waterline Update - This project, a proposed waterline extension, was studied originally back in 2017 and was requested by homeowners due to well problems. Mr. Adcock discussed how this and other similar projects are evaluated based on construction cost and potential revenue to determine the Authorities ability to fund and at what amount. This project will also be presented for consideration of funding through the CARES Act funding.

**6. MATTERS FROM COMMISSIONERS**

Mr. Dudley thank Ms. Cassada for her 40 years of service to the PCSA. Mr. Davis also complemented Ms. Cassada for her service and thanked the Sheriff for his work. Mr. Searce asked about a tanker truck he noticed getting water from a hydrant. Mr. Adcock explained the current Authority policy regarding bulk water sales and past board discussions regarding controlling unauthorized taking of hydrant water. Mr. Warren suggested the Legislative Committee review the County Code regarding penalties for illegal use of fire hydrants. Mr. Ingram asked for a clarification of the Authority's bulk water rates from Henry County and the City of Danville.

**7. ADJOURNMENT**

Being no further business, the meeting adjourned at 4:08 P.M.
